1 Organisation

The « Indoor Aquathlon » is a competition organised by the Fédération Luxembourgeoise de Triathlon asbl FLTRI).

Phone: +352 26 44 14 94

Mail: info@fltri.lu

Web: www.fltri.lu

The competition takes place at the Arena of the „Coque“ Sports Center (www.coque.lu).

Address: 2, rue Léon Hengen L-1745 Luxembourg

2 Definition of the competition

The « Indoor Aquathlon » is a competition consisting of a swim followed by a run. ITU Competition Rules are applied. An illustration of the pool is given in the appendix.

- **Before the race:**
 - Body marking of the Bib Number has to be made on each arm at the registration.
 - Athletes have to register for each series separately at the Check-In Zone 20min before each of their race starts. The Check-In Zone is near to the transition zone and marked by a panel. **No athlete is allowed to go to the pool on his own!** To avoid any accidents, crossing or blocking of athletes between the pool and the transition during their race, the referee in charge of the Check-In Zone will bring the group of athletes (of the same series) to the pool as soon as the swim of the previous race is done. This is also to avoid wrong signals of the timing chips. **The non-respect of this procedure can lead to a time penalty or DSQ.**
 - **A mandatory briefing is given at the Check-In Zone.**
- The **swim**: pool length of 50m and 6 lanes.
 - Wearing a swim cap is mandatory for all athletes.
 - Start side:
 - Age Grouper, Junior, Youth A/B (250m) will start on side B of the pool.
 - Kids A/B (50m) will start on side B of the pool.
 - Youth C (100m) will start on side A of the pool.
 - Lane attribution:
 - For all races except Kids A/B: 2 or 3 athletes per lane.
 - Series and quarterfinal men and women : starting position will be attributed by the starter by drawing
 - Semi-final and final men and women : starting position will be attributed depending of the previous race ranking

- The **transition**:
 - **ONLY athletes are allowed to enter the transition zone!**
 - After the swim all items of the athlete have to be put into the transition bag. No item has to be left at the transition! The bag has to be put down in the drop-off zone at the beginning of the run. Failure to comply with this rule will result in a 10 second time penalty.
 - The use of the official transition bag, given at the registration, is mandatory for all athletes, except Kids A/B! The transition bags can be picked up at the Pick Up Zone immediately after each race. Athletes have to show their Bib Number to get their bag. **30 minutes after the finish of the last race, the Pick Up Zone will be closed.**
- The **run**: 200m from the pool to the arena and around the indoor track of 200m:
 - The run from the pool exit to the 1st crossing of the finish line (including transition zone) is counted as 200m.
 - Each lap on the indoor track will count as 200m.
 - Wearing shoes is mandatory for Kids A/B and Youth C athletes.
 - Wearing the Bib number on the front side after the transition bag drop off zone is mandatory.

3 Terms and conditions

By enrolling in the competition, every athlete pledges to adhere to the regulations and discharges the organizer of any incident or accident that may occur due to disregarding these regulations.

A valid license is mandatory for participating in the event. The FLTRI will sell daily licenses on site to athletes that don't have or cannot show a valid triathlon license at the race registration.

4 Eligibility for registration

The competition is open for male and female athletes born in 2012 or earlier. Age Group, Junior and Youth A/B athletes will compete against each other.

The number of participants is limited to 216 for elite races.

144 men / 72 women

Registration has to be done at least on wednesday january the 15th at midnight

5 Classification and qualification criteria

The number of series will depend on the number of registrations.

Age Group / Junior / Youth A/B Men race:

- 8 series; qualification to the next round of the 3 best athletes of each series (24) + the 16 best competition times + 4 best athletes of each "2nd round" (4) + 4 best times (4) for a total of 48 qualifiers to the ¼-finals.
- Qualification of the 4 best athletes of each ¼-final (16) + the 8 best competition times for a total of 24 qualifiers for the ½-finals.

8th EES FLTRI Indoor Aquathlon Athletes Guide

- Qualification of the 4 best athletes of each ½-final (8) + the 4 best competition times for a total of 12 qualifiers for the final.

Age Group / Junior / Youth A/B Women tournament:

- 3 series; qualification to the next round of the 3 best athletes of each series (9) + the 12 best competition times + the 3 best athletes of the “2nd round” for a total of 24 qualifiers to the ½-finals.
- Qualification of the 4 best athletes of each ½-final (8) + the 4 best competition times for a total of 12 qualifiers for the final.

Youth C tournament

- There will be a 1st final with the 18 best athletes (mix of boys and girls) and a 2nd final with the remaining athletes.
- Final classification by addition of the 2 races (series + finals).

Kids A/B tournament

- There will be a 1st final with the 18 best athletes (mix of boys and girls) and a 2nd final with the remaining athletes.
- Final classification per category (Kids A / Kids B) by addition of the 2 races (series + finals).

6 Schedule

Registration and Bib number pick-up starts at 8:30

Race schedule will be confirmed after the registration closes on www.fltri.lu and Facebook: Luxembourg Triathlon

7 Warm-up and start procedure

Warm-up only allowed for Age Group / Junior / Youth A/B races (250m):

- after the athletes have chosen their lane they can enter the pool on side A,
- once all the athletes have entered the pool, a technical official (TO1) walks from side A to side B; during warm-up the athletes must remain between TO1 and side B of the pool and move towards side B as the TO1 moves forward to side B,
- a second technical official (TO2) will enter the pool area on side A as soon as the race-start has been cleared,
- when ready, TO1 will call the “on your mark” signal, requiring the athletes to put one hand on the pool wall,
- start signal is given by whistle blow of TO2 on side A of the pool.

8 False start

As per ITU competition rules, a false start of few athletes will result in a 10 seconds time penalty or in a new start in the case of a false start from several athletes.

9 Race format and categories

Category	Swim distance	Run distance	Competition format
Kids B (2011-2012) Kids A (2009-20010)	50m	400m	Series A Series B Final A Final B Classification by addition of the 2 race times
Youth C (2007-2008)	100m	600m	Series A Series B Final A Final B Classification by addition of the 2 race times
AG / Junior / Youth A / Youth B Men (2006 and earlier)	250m	1000m	Series 2 nd round: "rattrapage" 1/4 Finals 1/2 Finals Final
AG / Junior / Youth A / Youth B Women (2006 and earlier)	250m	1000m	Series 2 nd round: "rattrapage" 1/2 Finals Final

10 National championships

The national championships will be organized for the category Elite Men and Woman (2006 and earlier). Athletes from the category Youth A, Youth B and Junior who enrolled for the championships will be classified in the Elite Men and Woman.

For the ranking of the championship, the results will be considered like this:

- The ranking of the final
- The ranking of the ½ Finals (the time for the place)
- The ranking of the ¼ Finals (the time for the place)
- The ranking of the rattrapages

Athlètes racing for the national championships must wear their club uniform during the final. The club uniform will be controlled at the checkin zone before the final.
